GINGA
I HEARD FROM AKIYAMA-SAN
YOU'RE TOO RECKLESS
Sorry...
EVEN IF YOU APOLOGIZE TO ME, IT CAN'T BE HELPED
Yeah...
HE'S... HE'S MADE...
EVEN THOUGH THEY DON'T LET ME ON-SITE YET...

TN: A pistil is a smaller ball of fireworks stars in the center of another ball of stars often a different color

BAM
BAM
That one's also the same as from the summer festival
These are the fireworks from the summer festival
HE'S DOING IT AGAIN...
As I thought... He has good eyes
And a good memory
.....

But it's not just that
Some sort of hidden ability is...
CHILLING
Over there where we were doing preparations until just a few minutes ago, those fireworks are launching
I wonder what it's like underneath them
IT SOUNDS LIKE IT'S AMAZING TO HAVE THEM FLY RIGHT ABOVE YOUR HEAD
I'm jealous~~ I want to see that view soon

HAVING STARS FALL OVER YOUR HEAD
THEY SAY IT'S LIKE YOU'RE IN OUTER SPACE

Outer space...!
IT LOOKS LIKE YOU'VE OVERCOME YOUR PHOBIA OF FIRE
I've come a little closer
BUT
Eh? Ah I was so transfixed I didn't notice... Have I really overcome it? I wonder.....

silence
Huh?
To becoming a pyrotechnician!
I guess I can't do it as well as you, huh
RAISES HAND
LOOKS LIKE YOU STILL NEED SOME MORE TRAINING
